

August 2022

Dear Parents/Carers

I am sure you are all aware that costs are increasing. At Pre-School we are not immune to the rise in the cost of supplies, food, rent, wages etc. Therefore, we have had to make the decision to increase our fees by 50p per session. The cost per 3-hour session from September will be £14.50. We have kept this increase to an absolute minimum so as not to burden families even further. If you pay fees, you will be charged this new rate from September. This equates to £4.83 per hour.

If your child receives funding, this will not affect you as you will not receive an invoice. However, to even things out and to help with our costs, we are introducing a voluntary contribution of 50p per session towards consumables.

For example: If your child attends 1 full day a week (2 sessions) this would be an additional £6 for the 6 week term from September till October half-term. We can accept childcare vouchers or bank payments. **If you pay fees** via an invoice, this extra will not apply as it is included in your session cost.

We appreciate your cooperation and understanding in this matter. We want to maintain the big variety of healthy snacks, the amazing activities and the quality of childcare we give.

As I'm sure you are aware preschool is a not-for-profit charity. If you know of any grants which may be available to Pre-School, we'd love to hear about them!

If you shop with Amazon, please ensure you shop via Amazon Smile and donate a percentage to Pre-School. It costs you nothing, the prices are the same, but Amazon donates money to us as your chosen charity. Every little bit helps us.

If you feel this would impact you financially, please speak to one of us to come to some arrangement.

Kind regards

Farnsfield Pre-School
