

Farnsfield Pre-School Prospectus 2022 - 2023

Welcome to our prospectus

and to **Farnsfield Pre-School**

At Farnsfield Pre-School we believe **our children are awesome** and we are incredibly proud to shout about this. Our prospectus tells you everything you need to know about us for both you and your child. We are a small community Pre-School that has been a key part of Farnsfield for the last 50 years and **we LOVE our community**. We are ran by an incredible team of early years practitioners and a supportive and engaged committee all with the common goal to **aim for the stars**. Our first priority is to provide outstanding, safe and engaging child care and education and to be a small part of your child's development journey. Here at Farnsfield **we are open and inclusive**, so please contact us if you need any more information, or pop in and say hello.

We would love for you to come and join us.

Julia

Committee Chair

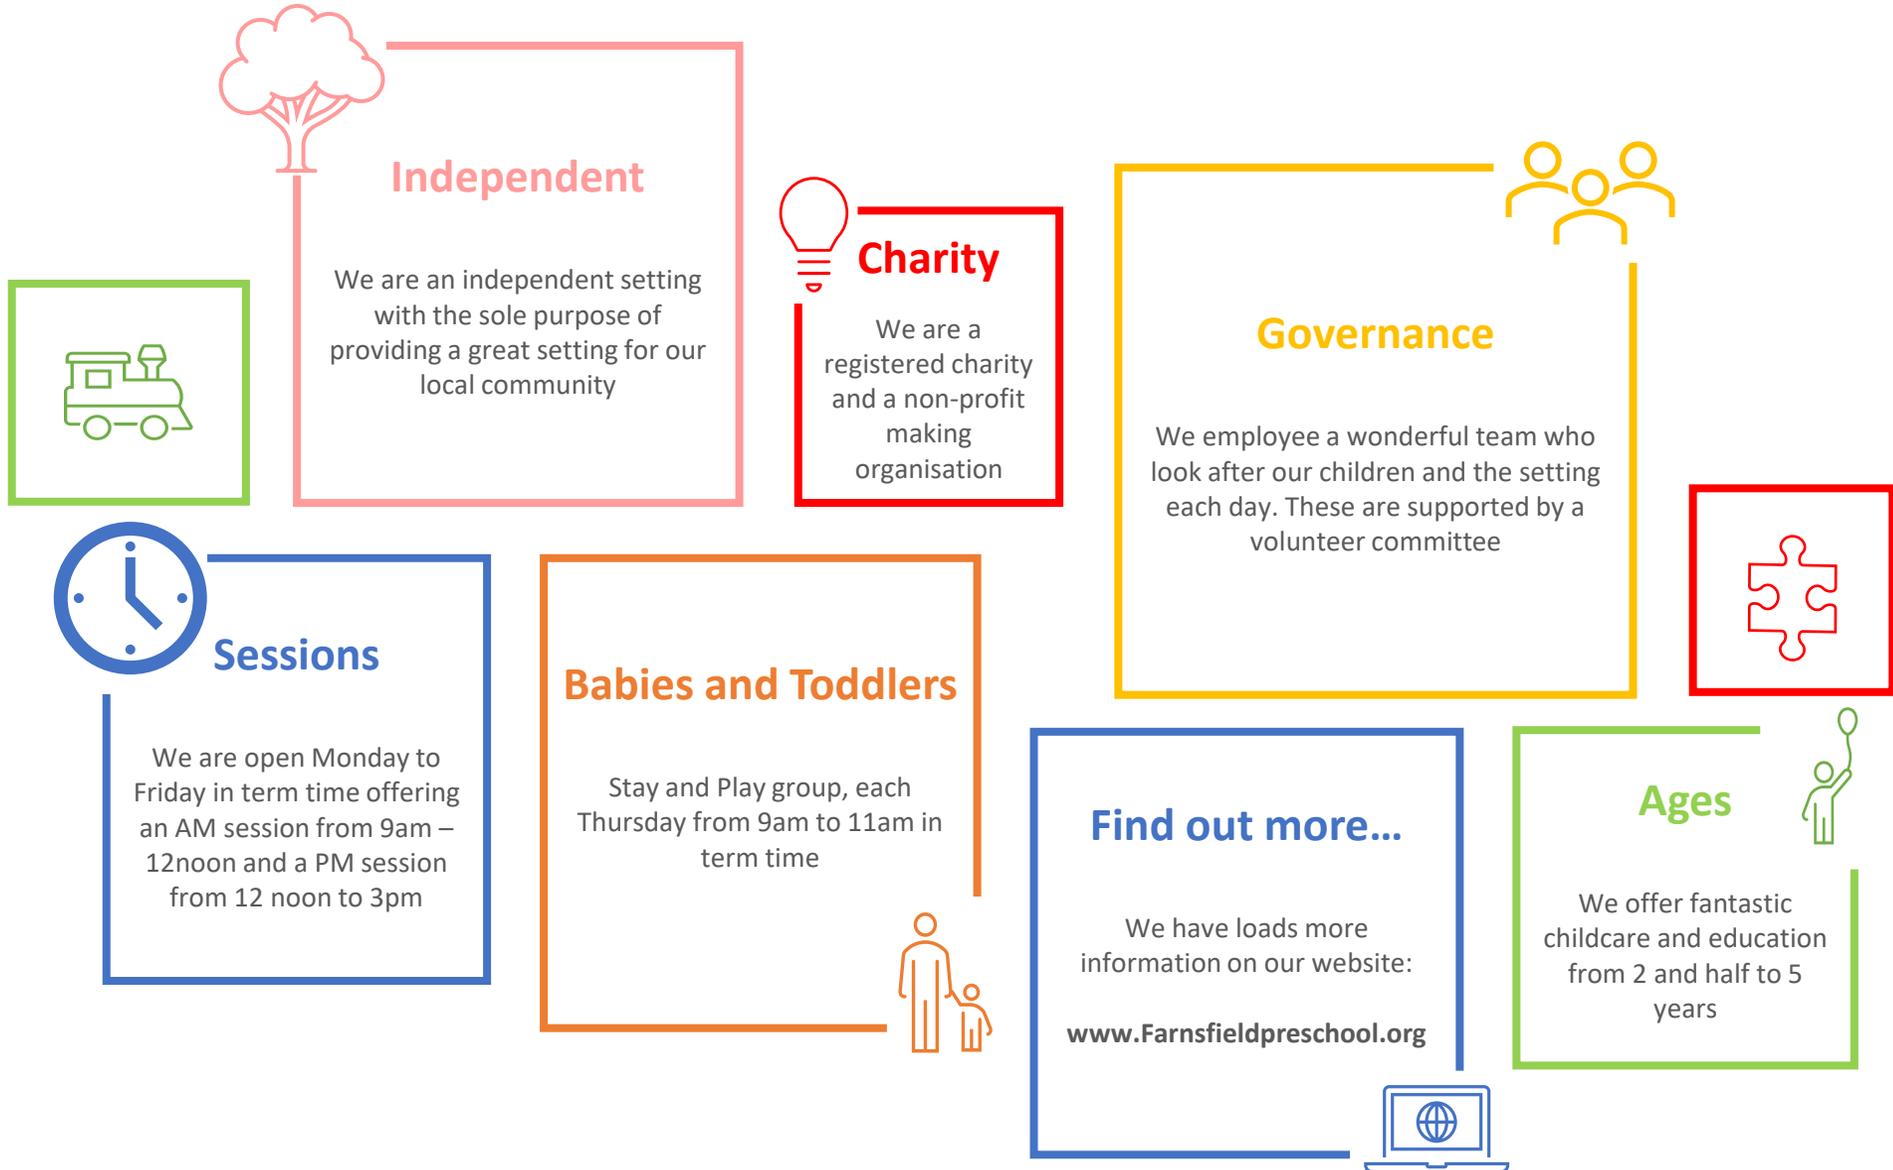

Our Children are Awesome

“Children are at the heart of everything we do. Our decisions are for our children now and into the future”

The committee work in partnership with the Pre-School team to ensure that Farnsfield Pre-School stays rooted and a key part of the local community and is the best place possible for our awesome children

Useful Information Sessions and Funding

Sessions: We offer 3 hr morning and afternoons sessions each week day in term time. Children can be booked to attend for any or all of these.

Funding: Government funding for children over 3 years old is 15 hrs per week. We do offer the extended 30 hour entitlement, but this is based on availability We try to offer as many sessions as possible on a first come first served basis.

Lunch: Children attending for the full day or the afternoon session should bring a packed lunch.

**Morning: 09:00 –
12:00**

**Afternoon: 12:00
– 15:00**

**End of session
collection:** Children should be collected promptly when their session is completed. Late collection could result in an additional charge.

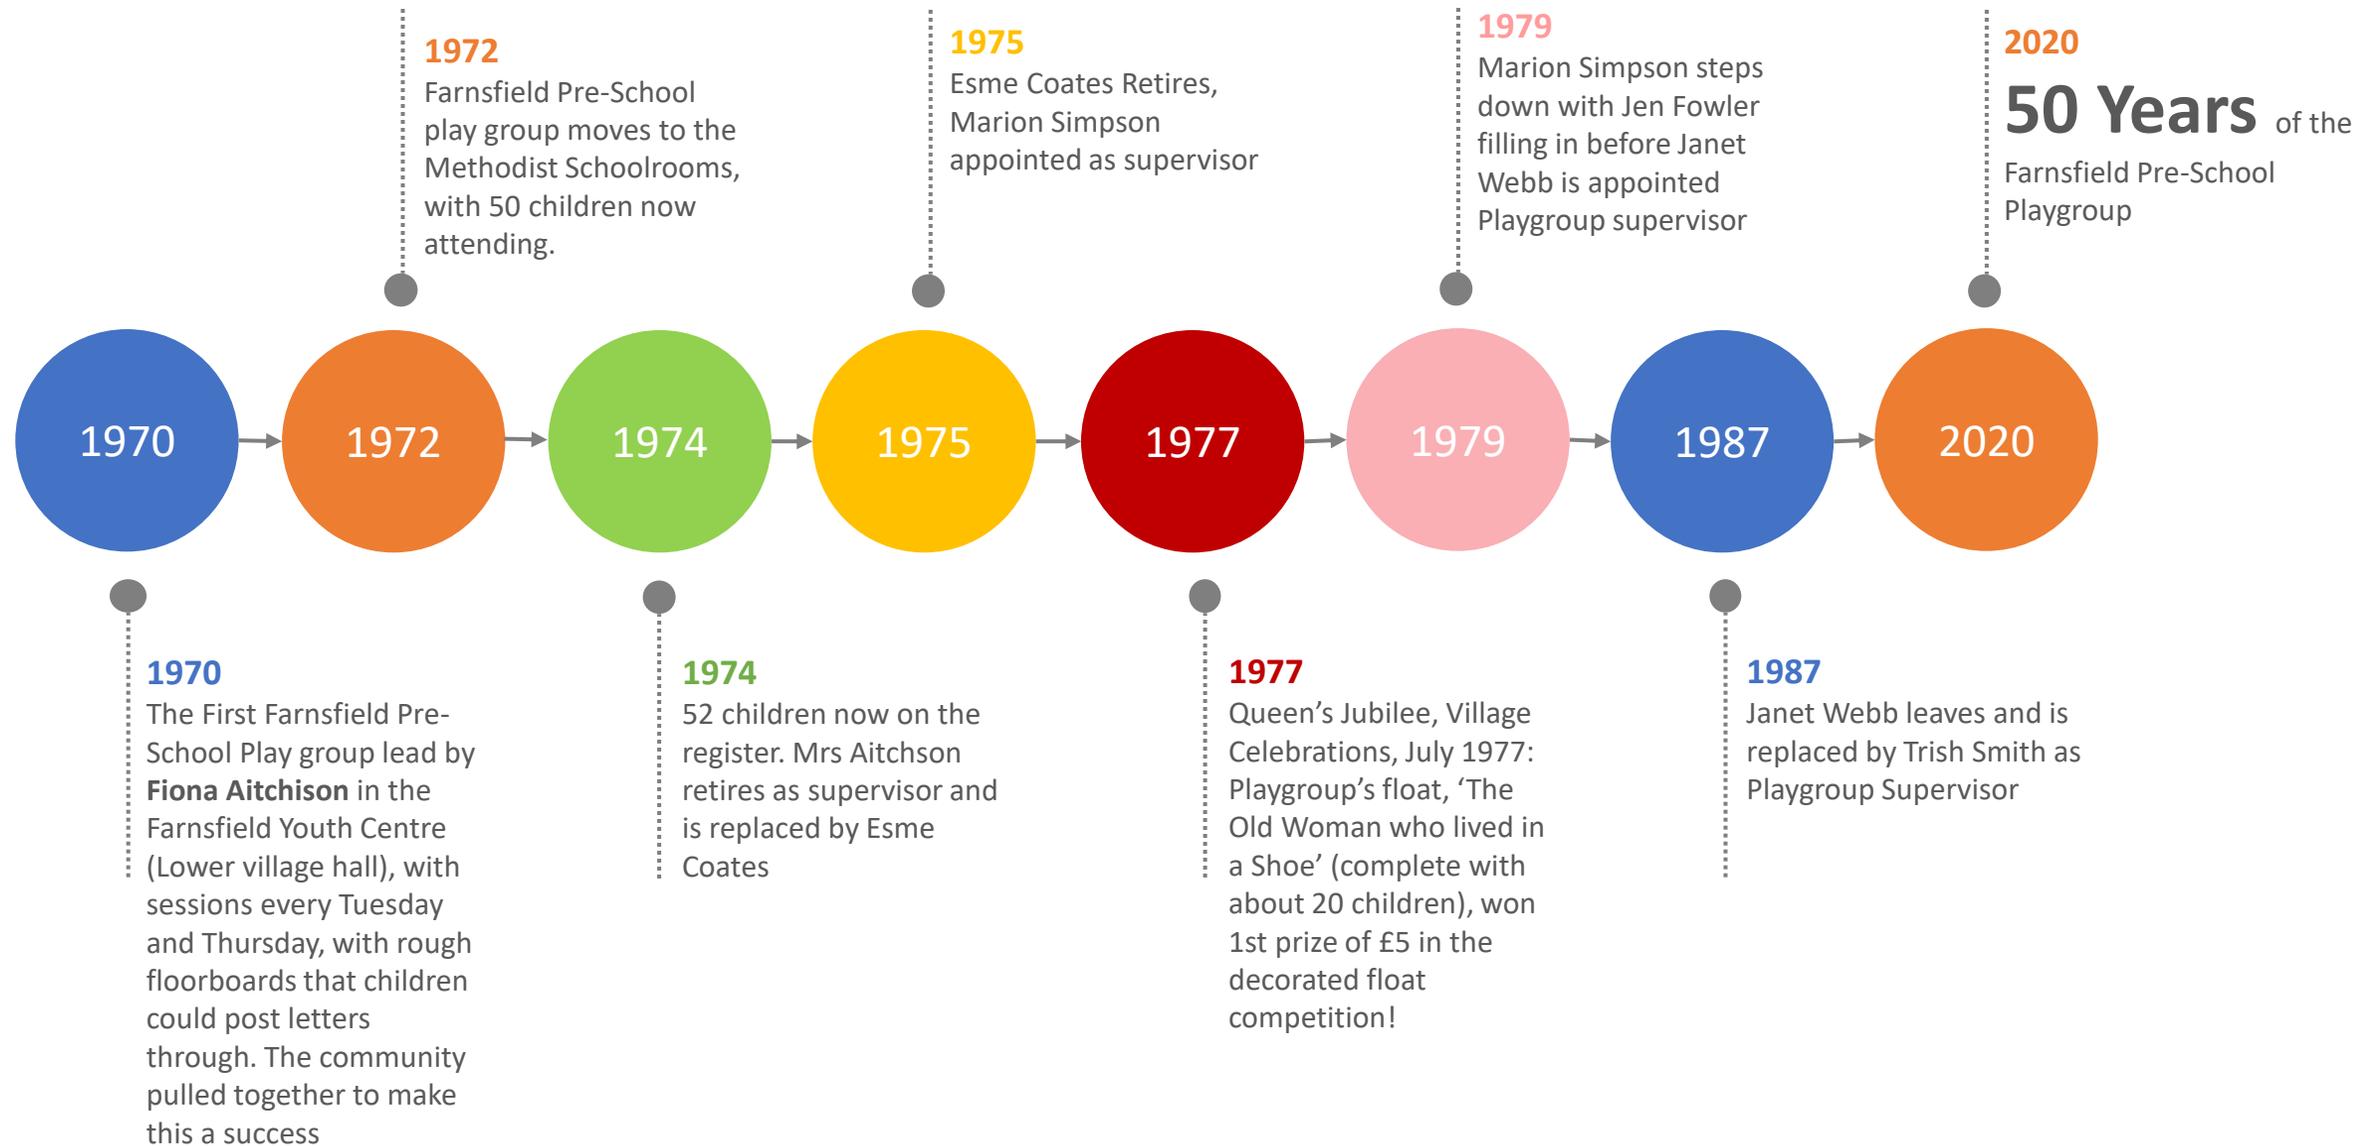

We LOVE our community

"We are connected to and supportive of our community. We love nature and respect the environment"

Our Values

Our story.....

Parent / Carer Engagement

We are always keen to engage our parents and carers in the development of their children. At Farnsfield Pre-School we use the following methods:

Tapestry online journal

As part of our key-working process we record observations for our children in the Tapestry online journal. This is in line with the Early Years Foundation Stage (EYFS) requirements, but it also allows you to see what your children have been doing in the day, and gives you the chance to tell us any WOW moments, or what your child has been doing at home.

Closed Facebook page

Open to parents and carers of current children only, we upload pictures each day and share other information here. We will ask for your permission before we upload any pictures of your child

Annual General Meeting (AGM)

All parents and carers are invited to join our AGM. This is a chance to look back at what has happened in the Pre-School in the year, but also a great social opportunity to meet the Pre-School Team, the committee and other parents

Working together for your children

Our Partners

The Farnfield Trust

A fellow local charity, that have provided financial support to enhance our Pre-School outdoor space

Farnfield Parish Council

Offer funding support, through grants and allowing us the provision of the village hall from where we run our Babies and Toddlers sessions

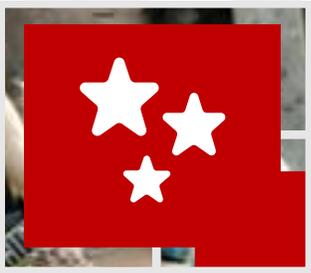

Farnfield St Michaels school

We work very closely with St Michaels to ensure all children transitioning there are ready and comfortable when they move from our Pre-School

The Co-operative Group

We have been the successful recipient of co-op charitable funds for 3 years. This has been used to support many initiatives and resources for the Pre-School

We have also received grants/donations from: Center Parcs, Gusto Construction, Mansfield Sand, Farnfield Friendship Club and The Plough!

We Aim for the Stars

“Every child is supported and nurtured to reach their full potential with the goal of every day being our best. We aim for outstanding care and education and look for excellence in everything we do, ensuring our children and the Pre-School are resilient and prepared for the future”

Our Values

The best day EVER.....

“PLEASEEEE
can I go back
tomorrow?”

Pre-School provides a stimulating place for children to learn through play and expand their experiences between home and school. **Activities are varied and imaginative, encouraging children to learn at their own pace**, whilst still focussing on each child as an individual.

We offer a variety of extra activities such as:

- Spanish
- Yoga
- Music & Movement
- Little Explorers
- Science and Technology
- Messy play

A day at Pre-School sessions typically includes song time, outdoor play, story time and a snack, as well as free play. **But always includes loads of fun and learning.**

How your child will be learning?

At Farnsfield Pre-School we believe that children learn best through play. All our activities are designed to give children choice and stimulate every aspect of their development. We are confident that through play children have the very best opportunities to learn everything they need to about themselves and the world they live in. **Play is children's work**. Your child will be learning skills, acquiring knowledge and demonstrating their understanding through seven areas of learning and development. Each activity will be tailored to your child's unique needs, giving the opportunity to explore, be active and be creative using both the indoors and outdoors

We are Open and Inclusive

“Our Children are encouraged to tell share. We tell the truth and are always transparent. We respect each other and celebrate what makes us all unique”

Our Values

Focus Areas and Leads

Safeguarding

Safeguarding is our number one priority and everyone's responsibility.

This is the responsibility of all staff and committee. **All new starters must read the 'Keeping Children Safe in Education' handbook.**

We discuss safeguarding in all of our committee meetings and share any further safeguarding guidance as this is received.

Danni Jankiwskyj

Special Education Needs (SENCO)

Every child is an individual and should be given the appropriate support to develop and fulfil their potential

The SENCO is a staff member at pre-school who oversees the day-to-day provision for children with special educational needs.

Sam Hall

Speech and Language

We believe that every child is a talker. Speech and language skills are the foundation of education. It's important that these skills be prioritised in the early years as that's when children begin forming their vocabulary

The Speech and Language Lead can identify when children might be having difficulty. They ensure all staff **receive adequate training and understand how to support children**, making referrals to speech and language professionals where necessary.

Sam Hall

Memberships and Regulators

Ofsted

Our standards and levels of childcare are inspected by Ofsted. Our last inspection was 2017 where we were scored as **GOOD**. Registration number: 509224

**Charity
Commission**

We are registered with and regulated by the Charity Commission.
Registered charity number: 1022276

**Early Years
Alliance**

Our Pre-School is a member of the Early Years Alliance who offer us support, information and advice on our Early Years Provision.
Membership number: 11681

**Local
Authority**

Nottinghamshire County Council provides funding for children, support for safeguarding and for children with special educational needs

How can I get more involved?

Join the Committee:

The Pre-School is run by a voluntary management committee, who work together to manage and develop the Pre-School. If you want to make Farnsfield Pre-School the best it can be then you are perfect. We pride ourselves on having a diverse range of skills in the committee, and joining the committee is a great way of meeting and connecting with other local parents who are passionate about Farnsfield, our Pre-School and our children. We really value everyone's input. You can be as involved as you like. We do love to have the full committee attend the committee meetings each half term, which are held in an evening.

Parent Helper:

We are proud of the high ratio of adults to children at the Pre-School. This ensures individual attention to the needs and development of each child. Parent helpers are welcome, and we encourage you to be part of your children's development by joining us for any session your child attends.

The more the merrier!

Frequently asked questions

Any questions just give us a call!

Can I visit Pre-School before sending my child? Yes of course, just contact the Pre-School and we will happily show you and your child around.

Does my child need to be toilet trained? No, we are able to change your child as needed. You will just need to send in sufficient nappies, wipes and bags.

What if my child has an accident as Pre-School? All our team are qualified in Paediatric First-Aid. Any accident is recorded in our accident book, we will take you through what happened when you collect your child and ask you to sign the accident book.

What if my child has allergies? Please let know on your registration forms. We will discuss our approach with you to ensure you are comfortable.

Can I see your policies? Yes, we operate under strict monitored policies that we would be happy to share with you.

Do I need to send sun cream? On sunny days we ask all children to arrive with sun cream already applied. We can top up in the day if needed with sun cream you provide.
